INSTRUCCIONES PARA PADRES DE FAMILIA EN CASO DE EMERGENCIA POR TERREMOTO

Estimados Padres de Familia:

A continuación les presentamos las instrucciones para los Padres de Familia en caso de una eventualidad seria:

1. Los padres de familia deben venir a retirar a su hijo(a) al Colegio personalmente. Si los padres deciden enviar a otra persona, deben contactarnos primero para comunicarnos su intención. Internamente en el Colegio, solamente la Directora o la Coordinadora dará autorización al Profesor(a) Guía para permitir que un estudiante se vaya a casa con otra persona que no sean los padres.

2. Los padres que vienen a retirar a su hijo(a) deberán llegar hasta las Zonas de Seguridad y avocarse con el/la Profesor/Profesora Guía de su hijo(a).

Las Zonas de Seguridad donde finalmente mantendremos a los estudiantes son:

- El Campo de Fútbol para estudiantes de Primaria y Secundaria.
- El área de juegos de Preescolar para los estudiantes de preescolar.

3. **El transporte escolar no saldrá en su recorrido.** Los padres de estudiantes de transporte escolar deberán venir a retirar a su hijo(a) personalmente al colegio.

4. Si se diera una eventualidad seria mientras el transporte escolar ya ha salido en su recorrido, el conductor detendrá el bus en lugar seguro e interrumpirá el recorrido.

5. Estableceremos contacto con los padres de familia para indicarles el punto exacto donde el bus se ha detenido para que ustedes lleguen a retirar a su hijo(a).

6. Damos a continuación números móviles que ustedes deben manejar a mano para comunicación en casos de eventualidades serias.
